The Minority Affairs Committee (MAC) of the American College of Epidemiology (ACE) cordially invites your participation in the MAC Workshop

“Enhancing the Epidemiologist’s Research Toolbox: An Introduction to Systems Science”

Keynote Speaker: Patricia Mabry, PhD and Kelvin Choi, PhD

Panelists: David Méndez, PhD, Nathaniel Osgood, PhD, Bruce Lee, MD, Stephen Eubank, PhD

Moderator: Dr. Charles Oke

The **American College of Epidemiology** is an organization of epidemiologists that serves the interests of the profession and its members through advocating for issues pertinent to epidemiology, a credential-based admission and promotion process, sponsorship of scientific meetings, publications and educational activities, and recognizing outstanding contributions to the field.

The **Minority Affairs Committee** assesses the status of minorities in the profession, the role of the College in promoting increased minority representation in epidemiology and in the College, and recommends actions to increase research on health concerns of minority populations.

Date: September 21, 2013

Time: 1:00 PM to 5:00 PM

Place: Galt House Hotel, Louisville, KY

This is a FREE Workshop. A networking reception will follow the workshop sessions.
