The Minority Affairs Committee (MAC) of the American College of Epidemiology (ACE) cordially invites your participation in the MAC Workshop

## **“Factors Affecting Policies that Influence Minority Health”**

### **Keynote Speaker: Dr. Olivia Carter Pokras**

Speakers: Dr. Jeannette Noltenius, Strategic Solutions Washington  
Dr. David Nelson, National Cancer Institute  
Dr. Rashida Dorsey, Office of Minority Health

#### **[Proposed Workshop Agenda](#)**

The **American College of Epidemiology** is an organization of epidemiologists that serves the interests of the profession and its members through advocating for issues pertinent to epidemiology, a credential-based admission and promotion process, sponsorship of scientific meetings, publications and educational activities, and recognizing outstanding contributions to the field.

The **Minority Affairs Committee** assesses the status of minorities in the profession, the role of the College in promoting increased minority representation in epidemiology and in the College, and recommends actions to increase research on health concerns of minority populations.

**Date: September 6, 2014**  
**Time: 1:00 PM to 5:00 PM**  
**Place: Sheraton Silver Spring Hotel, Silver Spring, MD**

is a FREE Workshop. A networking reception will follow the workshop sessions.
